

# Garden Agreement

Please read carefully before signing and agreeing to the guidelines:

- I will pay \$40 for each full plot and \$25 a half plot leased for the growing year 2018 to help cover garden expenses.
- I will have something planted in my plot(s) by June 1 and will keep it planted all summer long.
- If I must abandon my plot for any reason, I will notify the staff.
- I will keep weeds down and maintain the areas immediately surrounding my plot.
- If my plot becomes unkempt, I understand I will be given a one week notice to clean it up; after that time it will be reassigned or tilled in.
- I will plant tall crops only where they will not shade neighboring plots.
- I will not use any herbicides and only use insecticides and fertilizers in a manner that will not affect other plots.
- I will pick only my own crops unless given permission to pick others.
- I will keep trash, litter, stones and weeds cleaned from my plot and adjacent paths.
- I will use water responsibly and share with other plot users.
- I will dispose of rocks and garden debris only in approved locations as determined by C4C.
- No pets are permitted in the garden. I will bring only leashed pets to the vicinity around the garden.
- I will participate in the fall garden cleanup. I will have my plot cleaned by October 1 so that a fall cover crop may be planted.
- I will consider donating produce and/or volunteering with the donation project.
- **I understand that neither the garden leadership nor the owners of the land are responsible for my actions. I therefore agree to hold harmless the garden leadership and the owners of the land for any liability, damage, loss or claim that occurs in connection with use of the garden by me or any of my guests.**
